### Long Visor\*

A stylish crown to the front face, it helps minimize wind blast when you are tearing down the highway.

## EVERYTHING YOU DESIRE IN A 250CC BIKE TO PUSH THE LIMITS

### 249cc, 4 Stroke Single-cylinder BS 6 Engine

Based on a reliable engine proven on sport bikes for the Japanese market, this engine is fine tuned and optimized for Indian conditions and is BS 6 compliant.

### Brush Guard\*

Whatever terrain you charge into, your grip remains firm and your hands are protected.

### Golden Colour Wheel\*

Adds a touch of drama to your street presence. Stand out on every street you ride on!

### Multi Function Negative LCD Instrument Cluster

Readable even at the darkest hour and loaded with useful information like Trip Meter, Check Engine Indicator and real time mileage.

### Bi-Functional LED Headlight with LED Daytime Running Lamp

Be more visible & enjoy enhanced night vision.

### 153 kg Light Weight Body

Makes easier to control while enhancing economy at the same time.

Weight for FZ 25 is 153 kg & for FZS 25 it is 154 kg

**153kg**  
LIGHT WEIGHT BODY

For over a decade, the FZ series has rightfully retained the title of the lord of the streets. Inspiring riders from across the country who look for not just a good looking bike but a presence, a reflection of their macho character, and lots of exhilaration. Twelve years later,

the iconic Yamaha FZ is geared up to push the limits even further. To take you through the urban jungle and beyond. Because it believes that adventures don't have to be big to be unforgettable. What matters is you experience them, every day.

### Side Stand Engine Cut-off Switch

Added safety – engine cuts off if the stand is not retracted.

\*These features are available in FZS 25
